Thanks for the contact info and background from Finland. We receive several receipts each year from Dxers like yourself who receive our AM signal 1240 KSUE, Susanville, CA 96130 mostly in the Scandanavian countries. We will try to get you some information when I return to the office 4/1.

Congratulations on your receipt of KSUE . Hope you enjoyed what you heard on the air. KSUE signed on the air in 1948 and has been in continuous operation ever since as a news, talk, sports format . We also have two FM stations KJDX (Country) and KHJQ (Current Hits) .

I am the President, General Mgr of our broadcast operation in Northern California.
